Sir

I do submit herewith for the information of Government an extract from para 7 of the Chikmagalore Municipal Board Proceedings of the 28th July 92 in re the proposal to include Hiremagalore and Dantarmakki within the municipal limits of Chikmagalore, I have the honor to state that on a reference made to Government by the Deputy Commissioner in D.O. No. 384 of the 19th October 1883 to include the villages of Hiremagalur, Dantarmakki and Uppalli all situated within a mile from the town of Chikmagalore within the limits of that town for purposes of

octroi the Dewan was pleased to accord

Sanction

Sanction to the proposal in order No. 4192-3/49 dated the 8th November 1883. This order does not seem to have been carried out in as much as the resulting increase of revenue was considered slight and not sufficient to meet the cost of the necessary Extra Establishment which was reported to Government in para 2 of letter No. 550 of the 18th April 1894.

The present proposal is to include the two villages of Hiremagalore and Bantarmakki to the Chikmagalore Town proper and maintain such additional Establishment as is necessary for octroi, conservancy and other purposes and to meet the cost of these Charges from the income Expected from the imposition of House and other taxes as also of octroi duty on all goods imported.

Further I beg to state that the insanitary condition of these two villages close to Chikmagalur Town, is a source of grave danger when any epedemic breaks out, and as such the inclusion of the two villages for the present within the Municipality is considered very desirable and necessary. Besides some of the dutiable articles being Stocked in the said villages now find their way into the town clandestinely and thus materially affects the income of the Municipality.

Under these circumstances I beg to request that you will be so good as to obtain the sanction of Government to the proposal to include the villages of Bantarmakki and Hiremagalore to the Chikmagalore Municipality from the beginning of the next official year 1903-04

Necessary Statistics of receipts and charges have been called for and will be submitted to Government along with the Budget of Chikmagalore for 1903-04, in January next.

I have the honor to be,
Sir,
Your most obedient Servant,

President of the
Municipal Board

Proceedings of the Chikmagalore Municipal Board Convened on Saturday the 26th July 1907

VII Proposal of the President to include Hiremagalur and Dantarmakki within the Municipality of Chikmagalur.

Read Government Proceedings No. 4192-3 dated 197 8th November 1883 sanctioning the inclusion of the two villages as also Uppalli in the Municipality. The order seems to have been held in abeyance to be considered when the necessity should arise. As it is now found that articles charged with octroi duty are smuggled into the town proper by retaining the same in Hiremagalur and Dantarmakki, it is resolved that these villages should be included in the Municipality. For the present Uppalli which is on the Yedehalli road need not be so included.

Sir,

Adverting to your docket no. 5454 L.S.S.94
of the 6th October 1902 and subsequent reminder no 8434 L.S.S.94 and telegram of the 17th and 18th November 1902 calling for the submission of certain information regarding the inclusion of the two villages of Hiremagalur and Dandarmakki within the municipal limits of Chikmagalur, I have the honor to append in the margin the necessary particulars as to the number of houses and the population of the two villages under reference.

| | Tiled Houses | Thatched. | Total. | Population |
|---|---|---|---|---|
| Hiremagalur | 123. | 158. | 281 | 1125 |
| Dandarmakki | 90. | 74. | 164. | 619. |

2. The accompanying Statement Exhibits the approximate income that may accrue

accrue to the Municipality from the several heads of receipts and also the probable Expenditure ~~that~~ for Conservancy and other purposes as detailed and Explained hereunder.

## The income

The income under octroi has been calculated on the quantity of articles reported to be kept in Stock to find their way into the town clandestinely as also on other articles of dutiable goods consumed.

The income under House-tax has been based on a rough calculation made at present. After the proposal is sanctioned by Government, necessary action will be taken to have the houses properly valued and assessed as in the town of Chikmagalur. There is no doubt that there will then be an appreciable increase in the amount.

The income under VII Mohatarfa viz ₹146 being Estimated on the actuals calls for no remark.

The income under XI Miscellaneous cattle pounds has also been based

upon the actuals.

## Expenditure

Under III octroi, it is proposed to appoint two Kolkars at Rs 5/- per octroi purposes, one Each, for the two villages. The one at Dantarmakki will also supervise the work of conservancy sweepers Under IV conservancy, it is proposed to appoint one Mutsaddi on Rs 8/- for Hirimagalur who will in addition to supervising the work of sweepers, &c, attend to the collection work and be in charge of the cattle pound. By the latter arrangement the 20% commission on the Estimated income of Rs 150/- hitherto paid to the pound keeper will be saved to the municipality.

Three sweepers to Hirimagalur and two to Dantarmakki will for the present meet the requirements of the villages.

VIII. Lighting. It is proposed to light 10 lamps, 6 at Hirimagalur and 4 at Dantarmakki at a cost of Rs 150/- and the cost of lamps and iron lamp posts will be Rs 250/-

Thus it will be seen that there will be a probable Expenditure of ₹ 1052/- again an income of ₹ 1130/- leaving a balance of ₹ 68/- for the first year but the amount provided for lamps and lamp posts not being a reccurring item of Expenditure an equal amount will be available for public works in future years.

Copies of references called for (Presidents' letter no 384 dated 19th October 188 and Government Order thereon viz No 419/197 dated 8th november 1893) are herein enclos as requested in the docket under reply

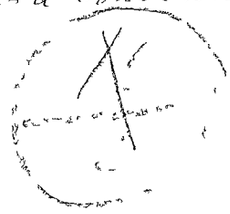
for President of
Municipal Board, Kadur

Proceedings of an ordinary meeting of the Chennagalur Municipal Board convened on the 18th September 1883



The President opened the meeting by informing the Board that the income from octroi was decreasing month by month, the receipts for the first five months of the past two years and of the current year being Rs 2600 – 2400 and 1700 respectively. He observed that the decrease was under almost all items (except cloth) chiefly under jaggary, and asked the Vice President and the members present the cause. The cause given was that certain merchants, with a view to escape payment of duty, used to store and sell dutiable articles in villages outside the municipal limits, such as Hunnagalur, Dantermakki, Coppakalli &c., that their trade in this way was increasing year by year, and that such articles when purchased and brought into the town by the town people for their house use, in small quantities, could not be taxed

proceeded to the Standing Orders on the matter. It was observed that the Officers were to a great extent necessary to prevent of Smuggling of dutiable articles, which the Officers employed, otherwise did not exert themselves to find out by combination they themselves took part in them for their own benefit

II The President was then to bring the conduct of the Petitioners proposed that (1) the Villages of Hemmagalay, Dalamatte, and Wapahalle, all situated within a mile from the town, should with the Peramis Sanction, be joined to the Municipality for the purposes of Police, that (2) the Officials be made subject to Police Rules, and that (3) the resignation of Bandrah, Police Deputy Muhadde, be accepted for good of the Municipality, that in-dividual, an old and influential resident of the town being supposed to be hand and glove with the merchants, and that (4) in filling up his place a Gout pensioned Servant be preferred to others. He further

proposed that out of the two officials in the Head Kattay, the Head Mutsuddy should do the writing work and the Deputy Mutsaddi should with the assistance of the municipal Police, inspect the Sub Kattays and all the by-ways into the town, and take care that no smuggling takes place

The above proposals were seconded by the Vice President and all the members present and unanimously carried
